

The number of homeless and low-income women increases each year in our community. Many require the use of feminine hygiene products each month, the cost of which is not covered by SNAP (food stamps) and too expensive for many women to afford. Women4Women Tempe believes these necessary items should be available to those who need them. Our mission is to help homeless and low-income women in Tempe maintain their dignity, self respect and health by distributing feminine hygiene products to those in need.

Bags containing pads, tampons, wipes, hand sanitizer and pantliners will be distributed by our partners at the following locations:

Tempe Community Action Agency
Gracies Thrift Store

Tempe 1st United Methodist Church
Pinnacle High School
Health Start

City of Tempe - HOPE Outreach Van

Partnerships and
individual donations
(monetary or items purchased)
are needed to
keep this project going.
We also welcome volunteers to
assemble the bags.
